

Testimonial from Mr Richard Dimitri head and founder of Senshido Inc

October 2008:

Debi Steven is an affiliate of mine and one of the finest human beings I have had the pleasure of working with. Her business ethics are a rarity in our and any industry, where her student's & client's needs come first and foremost above the almighty dollar. Where she truly shines however, is as an educator / instructor as her passion is infectious and you can feel that she truly cares not only about the materials in which she is imparting, but for each and every individual she comes into contact with.

It is with great pleasure and honor to have Debi as part of the Senshido family as she has proven to be nothing but an asset to any field or project Debi shares herself with.

Sincerely,

Richard Dimitri -

Director / Founder Senshido Inc.
